Marriage For All Japan x Tokyo Pride 2025 Collaboration

Tokyo Pride 2025 will feature several collaborative projects with Marriage For All Japan (MFAJ), a public interest incorporated association working to achieve marriage equality (legalization of same-sex marriage).

Get ready for the Pride Parade's special MFAJ x Tokyo Pride 2025 float!

WE ARE HERE, and we're ready to be seen! Let's change the law together! The "MFAJ x Tokyo Pride 2025" event will be a vibrant celebration, with 50 same-sex couples and 150 amazing allies coming together to support the legalization of same-sex marriage!

At the MFAJ booth, we are hosting the exhibition "What Everyone Else Takes for Granted".

This exhibition visually highlights the rights and actions that heterosexual couples take for granted but are denied to same-sex couples. It aims to powerfully convey the "injustice" and "inconvenience" of this disparity.

50 couples, or 100 Pride Parade participants, will also take the stage!

They will share a powerful message in support of legalizing same-sex marriage. *Contents are subject to change.
